

Firstly, I would like to thank all the committee for a really well run show and my stewards for the smooth running of my ring, a super tribute to the 50th championship show of this club, and an honour to have judged dogs today.

To all my exhibitors a very special thank you for your entries, support, and sportsmanship on the day. Finally, I don't think any who attended the show including myself, will forget the heart-warming moment a young child handler brought the judge, Anita Ledger-Doe, to tears with her gentleness and obvious bond with her bitch.
