

Southern Afghan Club Open Show. Home Park, Windsor – 28<sup>th</sup> June 2018.

Cindy Wilson (Tahir)

Firstly, I would like to thank the Southern Afghan Club for their kind invitation to judge this lovely show, both friendly and well run I was honoured to accept, on a personal level I was thrilled, as from childhood to present day the club has always been a part of my life. Thankyou also to my two super stewards for the smooth running of my ring, keeping me topped up with water on such a hot day, and most of all, the exhibitors who entered and gave me the privilege of going over their dogs, Thank you.

Minor Puppy Dog (1)

1<sup>st</sup> Trainor & Rogers TULAK FAST AND FURIOUS, super gold, black masked baby showing plenty of promise of things to come, his outline alone showing the quality below the depth of his puppy coat, with no disappointment when going over him. Masculine head and correct underjaw with lovely dark eye and correct shape, balanced with good expression and low set ears, correct length of neck leading into well laid shoulders and corresponding return of upper arm, lovely large feet, excellent depth of chest and spring of rib with good broad correct length of loin and level top-line, super rear angulation without exaggeration and correct fall-away with well-set tail finished with a ring. Lovely spring to his movement that can be easily seen in between his natural baby exuberance, definitely one to watch for the future. (BPD & BPIS)
